💼 WORK EXPERIENCE

Math Junior Educations   Mysore
Academic Specialist, Senior Instructor   Sept 2020 – 21

- Developed & implemented snippets of code related to Robotics.
- Curriculum Design & conducting live classes for children of age 8 – 15
- Contributed efficient code for 15+ projects using sensors.
- Monitored the quality of classes & performance of students regularly.
- Collaborated with peers, designers and support representatives to manage and enhance the productivity of the team.

🏆 ACHIEVEMENTS

Secured STAR MENTOR AWARD for developing a strong curriculum, boosting the company sales & systematic administration.

💳 CERTIFICATIONS

- Successfully completed the **Web Developer Starter Bootcamp** organized by CodeKaro which helped me gain knowledge about frontend technologies.
- Presently enrolled into a **Full Stack Java Developer Program** organized by Rooman Technologies in partnership with Generation India.

⊕ INTERESTS

Apart from professionalism, my other interests are volunteering in social work, meditation & yoga, history, reading books and competitive programming.
